Amendment and Response
Page 4 of 5*

REMARKS

The undersigned Attorney for the Assignee presents these amendments in response to the Advisory Action Before the Filing of an Appeal Brief mailed on April 24, 2006. The January 11, 2006 Office Action allowed claims 55-60; rejected claims 35, 36 and 41-44; and objected to claim 38. In the April 11, 2006 Amendment and Response, Applicant withdrew claims 35, 36, 38, and 41-44. The April 24, 2006 Advisory Action objected to the withdrawal of claims 35, 36, 38, and 41-44, and requested that Applicant cancel claims 35, 36, 38, and 41-44. By the present amendment, claims 35, 36, 38 and 41-44 have been cancelled, without prejudice to filing continuation applications to pursue these or other cancelled claims. The currently pending, and presently allowed claims 55-60 should be permitted to proceed to issue, and a Notice of Allowance is requested. No additional fees are believed to be due.

CONCLUSION

For at least the reasons given above, it is respectfully submitted that presently allowed claims 55-60 should now proceed to issue, and a Notice of Allowance is requested. Should the Examiner believe that anything further is necessary in order to place the application in better condition for allowance, the Examiner is respectfully requested to contact the undersigned attorney at the telephone number listed below. No additional fees are believed due; however, the Commissioner is hereby authorized to charge any deficiency, or credit any overpayment, to Deposit Account No. 11-0855.

Respectfully submitted,

Christopher J. Chan
